Please note:

Whilst every care is taken to ensure that the Results and Analysis are as accurate as possible, it is important to note that the analysis relates to the sample received by the laboratory and is representative only of that sample. No warranty is given by the laboratory that the Results from Analysis relates to any part of a field or growing area not covered by the sample received. It is important to ensure that any soil/leaf/silage or fruitlet sample sent for analysis is representative of the area requiring analysis and that samples are obtained in accordance with established sampling techniques. A leaflet containing instructions on how to take soil/leaf/herbage/silage and fruit samples for analysis is available from the laboratory on request.
